KeepMeHome® enables individuals to remain in their homes or familiar surroundings.

### OUR MISSION

Our experienced care staff will provide quality care to our clients and patients in a respectful manner with integrity, timeliness, and caring.

### WHAT MAKES US UNIQUE?

Our owner-operated company has a thirty year history of providing healthcare services, staffed by a management team with expertise and owner-operated. We understand the needs of our clients, the essence of good service, and strive to provide honest and timely service.

Our employees are:

- Insured for liability and workmen's compensation, bonded, background screened, drug tested

KeepMeHome® provides services to:

- Older adults
- Individuals recuperating from illness or surgery
- Handicapped or disabled persons
- Respite care for caregivers

KeepMeHome® personnel includes:

- Homemakers
- Home Health Aides
- CNAs
- Private-Duty Sitters
- Psychiatric Aides
- RNs and LPNs
- Therapists
- Social Workers
- Case Managers

KeepMeHome can provide as much or as little help as needed, including help with cooking, cleaning, transportation, shopping, grooming, medical schedules, friendship as well as nursing, therapy and social work services.

Call for more information or to make a referral. All are eligible for a referral but admission to licensed services is contingent upon a successful admission evaluation by an RN, PT or ST and physician's orders. Charges available upon request.
